Grand Cheval

International Wine Report Top 100 Wines of 2015

To make Grand Cheval we take the best characteristics of two very different varietals and blend them in perfect harmony to create our “steakhouse wine”. This wine is bold enough for the richest of dishes, yet soft enough to please any palate.

The 2012 Grand Cheval offers intriguing and complex aromas of blueberries, blackberries and savory wild game. On the palate, the wine offers a rich mouth coating texture, while finishing with flavors of black cherry, boysenberry and dark chocolate.
