

2012  
*Récolte Chardonnay*

93 Pts. *Wine Spectator*

Récolte, the French word for “harvest”, is a hand harvested, barrel-fermented Chardonnay made from the finest selection of Domaine Serene Estate fruit. The pinnacle of our Chardonnay program, we combine the right clones, meticulous pruning, and dry farmed vineyards on Jory soil to coax this noble grape into producing a wine of elegance, brilliance and poise.

The 2012 Récolte Chardonnay is a complex and layered wine offering aromas of citrus zest, Asian pear, fresh apricot, honey, crushed stone, nutmeg, and marzipan. On the palate the wine is powerful and focused, with balanced weight and viscosity.

*Technical Data*
