

2013

*Récolte Grand Cru
Chardonnay*

Recolte, the French word for “harvest” is a hand harvested, barrel-fermented Chardonnay made from the finest selection of Domaine Serene Estate fruit. The pinnacle of our Chardonnay program, we combine the right clones, meticulous pruning, and dry farmed vineyards on Jory soil to coax this noble grape into producing a wine of elegance, brilliance and poise.

The 2013 Récolte Chardonnay is the most coveted wine in our Chardonnay program. Modeled after the world’s finest white Burgundies from Montrachet, it immediately shows its serious nature. On the nose, this expressive wine offers up aromas of dried apricots, citrus zest, marzipan and star anise. On the palate, Récolte makes a statement with vibrancy, structure and an enveloping texture. Flavors of Asian pear, crème caramel, honey and stone fruits abound, leading to a long, silky finish of vanilla, fennel spice and sweet oak.
