

2014

*Côte Sud Vineyard
Pinot Noir*

92 Pts. *Wine Enthusiast*

The Côte Sud Vineyard, located on the south facing slope of the Evenstad Estate, is our only vineyard planted to both Pinot Noir and Chardonnay.

On approach, your senses are met with an enticing bouquet of earthy plum and cocoa nibs intertwined with notes of black tea and orange peel. The palate is focused with dark fruits and blackberries layered over tones of violets and tea. The mouthfeel is rich with silky tannins giving way to a long beautiful finish. This wine is approachable now, but should evolve even more with additional time in the bottle.

Technical Data
