

2014

*Récolte Grand Cru  
Chardonnay*

Recolte, the French word for “harvest” is a hand harvested, barrel-fermented Chardonnay made from the finest selection of Domaine Serene Estate fruit. The pinnacle of our Chardonnay program, we combine the right clones, meticulous pruning, and dry farmed vineyards on Jory soil to coax this noble grape into producing a wine of elegance, brilliance and poise.

The 2014 Récolte Chardonnay is the pinnacle offering in our Chardonnay program. Crafted from hand-selected exceptional barrels, Récolte was modeled after the world’s finest white Burgundies from Montrachet. In the glass, it shimmers with a slightly golden hue. On the nose, this expressive wine offers up aromas of honeydew, cinnamon, star anise, and spice. On the palate, Récolte is rich and round with an electric, yet focused acidity. Luscious flavors of Asian pear and spice lead to a long and lasting finish. It’s a classic beauty that will age gracefully over time.
