Coeur Blanc

Coeur Blanc is an extremely special and limited production white wine made from fully mature Pinot Noir grapes. At harvest, 100% estate grown Pinot Noir grapes from selected vineyard blocks are handpicked and carefully sorted. Only the most perfect clusters are used for this wine. The grapes are then gently whole-cluster pressed, limiting contact with the grape skins so that only the purest essence, or “white heart” juice is expressed. The resulting juice is barrel fermented in French oak and then aged on the lees for 14 months prior to bottling.

With a rich pale yellow core, the Coeur Blanc shimmers beautifully in the glass. An alluring bouquet of white peach, orange blossoms, and confectionery aromas fill the air. On the palate, flavors of tangerine and citrus are framed by angelic structure and minerality. An unbelievably classy wine, it delivers a rich, polished mouthfeel with a long, lingering finish.
