R Rosé

91 Pts. *Wine Enthusiast – Editors' Choice*
90 Pts. *Vinous/ Tanzer*

"r" is a delicate dry, style rosé artfully blended to achieve a graceful balance of freshness and richness along with an array of exotic fruit characters. The bouquet explodes from the glass with notes of passion fruit, citrus blossom and hints of vanilla bean. Flavors of beautifully ripe white stone fruit, watermelon and fresh strawberries abound on the palate. With ample richness and balanced acidity, this is more than just a simple Rosé.

No corked bottles ever...guaranteed!

This year's Rosé is the first of our wines to be a part of the DSGC program, which ensures all Domaine Serene wines are free of cork taint...guaranteed! Yet another example of Ken and Grace Evenstad's unwavering commitment to quality, we are the first winery in the world to make a substantial investment in a meticulous, cork-by-cork inspection process, effectively eliminating the risk of any corked Domaine Serene wines going forward.
