"r" Rosé v.9

91 Pts. *Wine Enthusiast*

Using grapes from our prestigious vineyards throughout Oregon, we artfully blend to obtain an elegant, complex and balanced wine with pure and vibrant flavors. "r" then receives the same care and handling as our white wines, barrel-aged in French oak to intensify aromas and harmonize this unique blend.

"r" is a delicate, dry rosé artfully blended to achieve a graceful balance of freshness and richness along with an array of exotic fruit characters. On approach, vivid aromas of watermelon, fresh strawberries, and guava leap from the glass. Memories of walking through your favorite candy store abound, as mandarin blossoms and peach permeate the palate. With such opulence and balance, this is much more than just a simple Rosé.
